We all want our kids to be the best version of themselves and dream as big as they can to reach their highest potential. But chasing a dream takes a lot of courage. That's what I want kids to learn by reading our novels.	9/3/2019 22:29
Legacy and the Queen will teach kids lessons in perseverance, commitment, hard work, compassion, and empathy. And the lessons built within the story are the same disciplines and principles that I try to instill in my daughters everyday.	9/3/2019 22:27
So excited for this project and for you all to experience the magical journey of #LegacyandtheQueen. As kids get older, we hope they'll start to understand the meanings and messages found in reading. @RealSkipBayless manu def had an impact on the games momentum. In gm 2 we gotta cut their penetration and post the ball more	4/21/2013 18:11
@PhiJackson11 will make sure the fellas r in line with that	4/21/2013 18:09
@PhiJackson11 I gotta do something. It's horrible not being able to at least be there with them.	4/21/2013 17:59
@RoCountsOnKobe 100%that's the key. Making adjustments. Chess not checkers	4/21/2013 17:57
Nothing worse then watching your bothers struggle and u can't do crap about it #realtalk	4/21/2013 17:51
Matador Defense on Parker. His penetration is hurting us	4/21/2013 17:42
@JoshuaBass91 get on block and make the game easier for ur guys Defensive transition on the bigs so we don't give up 3's to their guards	4/21/2013 17:40
@TaylorAshton17 yess sirr!!	4/21/2013 17:38
Gotta milk pau in the post right now and d12. Will get good looks from it	4/21/2013 17:34

@KatenSingler yea me 2!! Lol No telling what I might say! #rulechangescoming	4/21/2013 16:36
@LakerGangOrDie_ lot of correctable things. Lil strategic adjustments we can make Spurs hurt us with quiet 5-0/6-0 runs that kept us at bay	4/21/2013 16:34
@AlexLeeSays I can't travel yet. Altitude pressure causes swelling. Have to keep it elevated as much as possible	4/21/2013 16:29
@nbarocksstc I agree. Lethargic start for us. Gotta minimize little mistakes like giving up the middle drive on close outs	4/21/2013 16:21
Post. Post. Post.	4/21/2013 16:17
@TheMontelShow spurs ability to change sides of the floor and get penetration is hurting us. have to pick up pressure, make them uncomfortable	4/21/2013 16:00
#redmamba haha I luv that	4/21/2013 15:54
@bkbb24 rhythm of the game. When it doesn't flow inside because of what the d allows we have to force the issue	4/21/2013 15:52
Gotta keep the spurs offense in front of our d. They r great at penetrating and pitching to their shooters	4/21/2013 15:49
Gotta get to the block. See wat spurs r gonna do with pau and d12	4/21/2013 15:39
I like how Nash is moving so far. Both teams a lil out of rhythm to start	4/21/2013 15:36
